

Why Should I Finance?

Red Thread Financial Group's finance program offers the benefits of a lease and loan in one agreement.

- **CASH FLOW MANAGEMENT**
Low monthly payments and minimal up-front cash outlay.
- **SPEED**
Short one-page application with quick approvals.
- **FLEXIBILITY**
100% financing of the invoice including any add-on items such as hardware or software.
- **NO BLANKET LIEN**
Only the equipment is required as collateral. Your personal and business assets remain protected.
- **EARLY PAYOFF OPTION**
The Red Thread finance program allows you to pay off early without paying the remaining stream of payments which a lease requires.
- **TAX ADVANTAGES**
Qualifies for the Section 179 deduction.
- **FIXED PAYMENTS**
Unlike financing with your line of credit or credit card, payments and interest rates are fixed. Market conditions can affect your line of credit and credit card rates can increase. Our payment terms are locked in.
- **LINES OF CREDIT REMAIN PROTECTED**
Financing with Red Thread does not impact the credit lines with your bank. Your borrowing power can be reserved for other business needs.
- **AVOID OBSOLESCENCE**
Financing affords you the best technology available today and allows the option to upgrade your equipment when it has outlived its use. Strengthen your competitive edge by using tomorrow's technology today!
